A PROUD MEMBER OF ATLAS HEALTHCARE

**Exceptional Care in Coastal Tranquility**

Mystic Meadows offers a supportive community dedicated to your health, making us the premier choice for rehabilitation and long-term care.

Our dedicated staff, many of whom are local residents, bring a sense of familiarity and comfort to our patients.

## Go Home Happier & Healthier!

After a prolonged illness, injury, or surgery, we know how hard it is to lose your independence and have your routine interrupted.

Our team of expert and compassionate medical professionals do our utmost to get you back on your feet and home again in no time. Our goal - to rebuild the skills you need to live fully.

Our subacute rehabilitation program is designed to provide comprehensive rehab services to patients who require short-term rehabilitation after a hospital stay...and our program has a great track record for delivering positive outcomes!

### Our dedicated program features:

- 40-bed subacute unit with a private entrance
- Physical, occupational, & speech therapy 7 days a week
- Spacious therapy gym with cutting-edge technology & equipment
- Therapy conducted outdoors in our adjacent courtyard, weather permitting
- Skilled rehabilitation specialists
- Personal education & follow-up support

## Onsite Peritoneal Dialysis

Under the nephrology leadership of **Dr. Jatinder Kohli and Dr. Chetan Shah**, we provide comprehensive renal care to both our long-term residents and subacute patients, improving their overall quality of life.

## Memory Care

Our secure memory care unit offers 24/7 dementia care provided by a compassionate and expert healthcare team.

We take pride in our holistic, person-centered approach geared towards enhancing the quality of life of individuals struggling with Alzheimer's disease, memory impairment, or any other age-related dementia.

## A Focus on Your Comfort & Well-being

Our modern, airy, and expansive building is nestled on beautifully landscaped grounds, offering the perfect setting for your recovery.
